ABOUT THE COLLEGE

Established in 2014 under the renowned KMCT Group of Institutions, KMCT Arts and Science College, Kuttippuram, stands as a beacon of higher education in Malappuram district, Kerala. Affiliated to the University of Calicut, Approved by the Govt. of Kerala, All India Council for Technical Education (AICTE) and Recognized by the University Grants Commission (UGC) under Section 2(f) of the UGC Act, 1956. The college provides quality education, fostering academic excellence, and nurturing a socially responsible generation.

MESSAGE FROM THE CHAIRMAN

IT IS MY PLEASURE TO WELCOME YOU TO KMCT ARTS AND SCIENCE COLLEGE, KUTTIPPURAM.

Arts and science education has long been recognized as a preferred choice for stdents pursuing higher education after their Plus Two or even after graduation. What sets arts and science colleges apart is their multidisciplinary environment — a unique setting where students from different streams can interact, collaborate, and participate in programs beyond the boundaries of their chosen courses. This enriches their academic journey and opens doors to a wide array of career opportunities.

At KMCT Arts and Science College, we offer a diverse range of undergraduate Programmes across various disciplines. Our faculty members are highly qualified experts who are not only passionate about their subjects but also dedicated to mentoring and guiding students with care and compassion.

I invite you to be a part of this enriching academic community a place for both professional and personal growth, where campus life is enjoyable, and the learning environment is relaxed yet focused.

Warm regards,
Dr. Navas K.M.
Chairman
KMCT Group of Institutions

MESSAGE FROM THE DIRECTOR & EXECUTIVE TRUSTEE

WELCOME TO KMCT ARTS AND SCIENCE COLLEGE, KUTTIPPURAM.

Arts and science disciplines enable students to receive a well-rounded education, offering the possibility of pursuing many career paths, not just one. Graduating from an arts and science college equips you with a diverse set of skills that you master along the way, knowingly or unknowingly. At the end of the day, the graduation you receive helps you in many ways professinally, socially, creatively, and personally.

At KMCT Arts and Science College, Kuttippuram, we promise you an education that supports you in every way, whether professionally or personally. Our programs are among the most sought after, with vast career possibilities in this ever-evolving world. These programs also enable you to pursue higher education in your chosen field. If you are passionate about a career in arts and sciences, we provide you with the opportunities to achieve your dreams, offering avenues to engage, collaborate, innovate, and grow.

Best regards
Dr. Ayisha Nazreen
Executive Trustee & Director
KMCT Group of Institutions

MESSAGE

WELCOME TO KMCT ARTS AND SCIENCE COLLEGE

It gives me immense pleasure to welcome you to KMCT Arts and Science College, Kuttippuram — an institution founded with the vision of fostering academic excellence, holistic development, and a spirit of innovation among young minds.

Since its inception in 2014, the college has grown into a vibrant center of higher learning,offering a range of undergraduate and postgraduate programs across disciplines. Affiliated to the University of Calicut, approved by the Government of Kerala and recognized by the UGC under Section 2(f) of the UGC Act 1956, our college stands committed to nurturing competent, compassionate, and socially responsible individuals.

At KMCT, we believe that education is not merely the acquisition of knowledge, but the cultivation of values, critical thinking, and creativity. Our dedicated faculty, state-of-the-art infrastructure, and student-centric environment provide the ideal platform for learners to discover and achieve their full potential.

We take immense pride in our students' academic achievements, co-curricular excellence, and community involvement. Through a blend of curricular innovation, mentorship, and cultural activities, we aim to shape leaders and change-makers of tomorrow.

I invite you to explore the opportunities that KMCT Arts and Science College offers. Together, let us embark on a journey of learning, discovery, and transformation.

Warm regards,
Mr. Shamsudeen. M T
Principal In-charge,
KMCT Arts and Science College, Kuttippuram

CALICUT UNIVERSITY FOUR-YEAR UNDERGRADUATE PROGRAMME - A BRIEF DESCRIPTION

Three Types of UG Programmes:

1. Three-Year UG Programme: Minimum 133 credits (max. 180 credits). The student will have to do two-year PG programme after that.

2. Four-Year UG Programme: UG Honours: Minimum 177 credits (max. 240 credits). Thestudent will have to do one-year PG programme after that. In the fourth year the studenthas to do 11 courses or 8 courses and an optional Project of 12-credits.

3. Four-Year UG Programme: UG Honours with Research: Minimum 177 credits (max.240 credits). The student can opt to do one-year PG programme or can join directly for Ph.D programme. In the fourth year the student should have a mandatory Research Project of 12- credits. The existing integrated PG programmes at the university departments will be converted into Four-Year UG Programme + One-Year PG Programme.

Discipline-Specific Components of FYUGP

1. Major : 50% of the total credits in any one discipline. Three-Year UG Programme: 68 credits (50% of 133) | 17 courses (13 core courses + 4 elective courses with specialization)Four-Year UG Programme: 88 credits (50% of 177) + 12 additional credits

2. Minor : 24 or 32 credits in any one discipline other than the Major. It can be related to or unrelated to the Major.

Three-Year UG Programme: 24 credits | 6 Minor courses

Four-Year UG Programme: 32 credits | 8 Minor courses

3. Internship : Hands-on / Field-based experience or training at the same institution or at an external institution/ firm / industry. It should be completed in the first three years of UG programme. It has 2 credits. There are no separate teaching hours for Internship.

4. Project

A. Project in UG Honours Programme: Optional for the student (instead of three Major courses). It is of 12 credits and it can be in the Major or allied discipline. It can be guided by any faculty member. It can be done at the same institution or at any other HEI /research centre.

B. Project in UG Honours with Research Programme: Mandatory for the student.Only those students who score min. 75% marks cumulatively in the first six semesters will be admitted for this programme. It is of 12 credits and it can be in the Major or allied discipline. It can be guided by a faculty member with PhD. It can be done only at an approved research centre of the same university/ any other university/ HEI. Otherwise the centre should gain a prior approval from the University for offering this programme. The centre should have the required infrastructure.
